She doesn't mind getting receiving the document in parts.

Lucita, would there be any way you could give me your comments on just the groundwater impacts part (the first 30 pages) today? I would like to give Lisa something to start reviewing by Monday.

The next big section is the impacts to surface water and wetlands, which Lucita hasn't seen yet.

How about I give the rest of the document to Lucita and Lisa concurrently?

Thanks!

Valois
